

THE UNSTOPPABLE

MOTION MAN

GAME NIGHT

DAD

Wrist?

KAM

Regular basketball. Extremely normal.

DAD

Straight home after the game.

MOM

No tours.

KAM

I have retired from tourism.

THE ANCHOR

South Line. One of them moved here.

COACH

Reed. Firstguard off the bench.

KAM

Seriously?

COACH

Don't make me repeat the mistake.

TREY

I told him you can run point.

KAM

You said something nice about me?

TREY

Don't make it weird.

A scout. My parents. Actual minutes. Nothing can ruin this.

DAD
That's my boy!

NIA
Finally!

ELI
Shortking analytics!

TREY
I'm open!

KAM
I know.

COACH
Good read, Reed!

Completely normal night.

THE ANCHOR
MOTION MAN!

I need to stop saying things.

NJA
That's the guy from MARTA!

ELI
He followed Motion Man here?

MOM
Where's Kam?

THE ANCHOR
Come out, or this building stays anchored.

The suit's behind the bleachers.

NIA
Look out!

Easy...

ELI
Did that cart just save us?

DAD
Kam!

NIA
No. Someone moved it.

And now my parents can't see me. Great.

MOM
Kam ?

KAM
Changing!

Technically true.

KAM
You wanted Motion Man?

THE ANCHOR
You can e.

KAM
I had gym access.

KAM

You tracked me to a high school? Creepy.

THE ANCHOR

Your energy began here.

THE ANCHOR

Who moved during the sixteen seconds?

He tracked the energy. Still doesn't know it's me.

KAM

Just me.

THE ANCHOR

Then you caused it.

KAM

That math is terrible!

THE ANCHOR

The city froze. You moved.

KAM

I didn't freeze anybody.

THE ANCHOR

Prove it.

KAM

How?

UNKNOWN

Contain the anomaly.

They don't want answers. They want me.

THE ANCHOR

Come with me.

KAM

In sixteen. Stranger danger.

IN MY HEAD, EVERY PROBLEM BECOMES A COURT.

Pressure doesn't shrink the floor. It makes you forget to see it.

Four cables. One heavy suit. One loose scoreboard.

A point guard doesn't beat pressure alone.

KAM

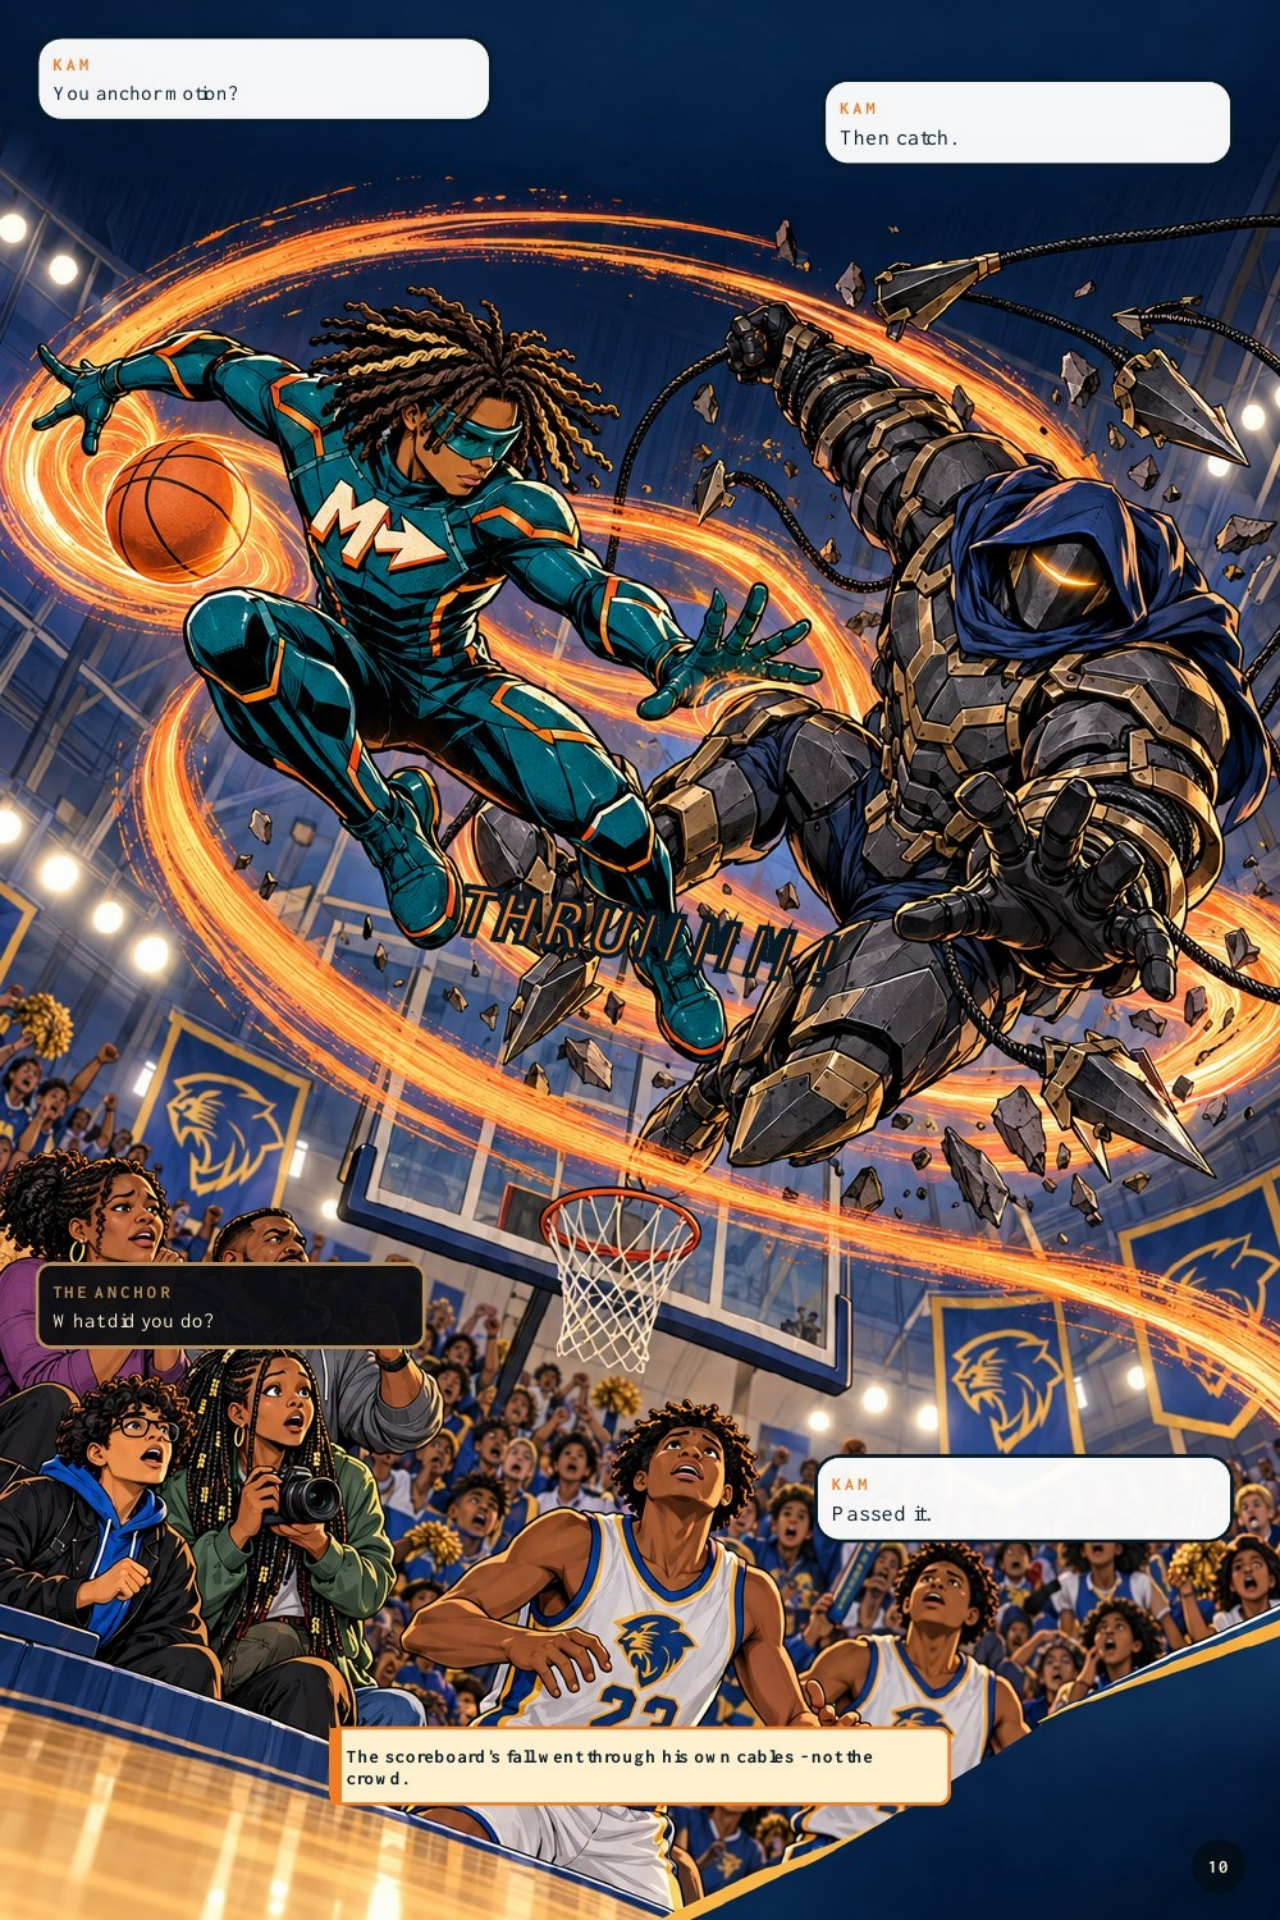

O kay. Let's run a play.

KAM

You anchorm otn?

KAM

Then catch.

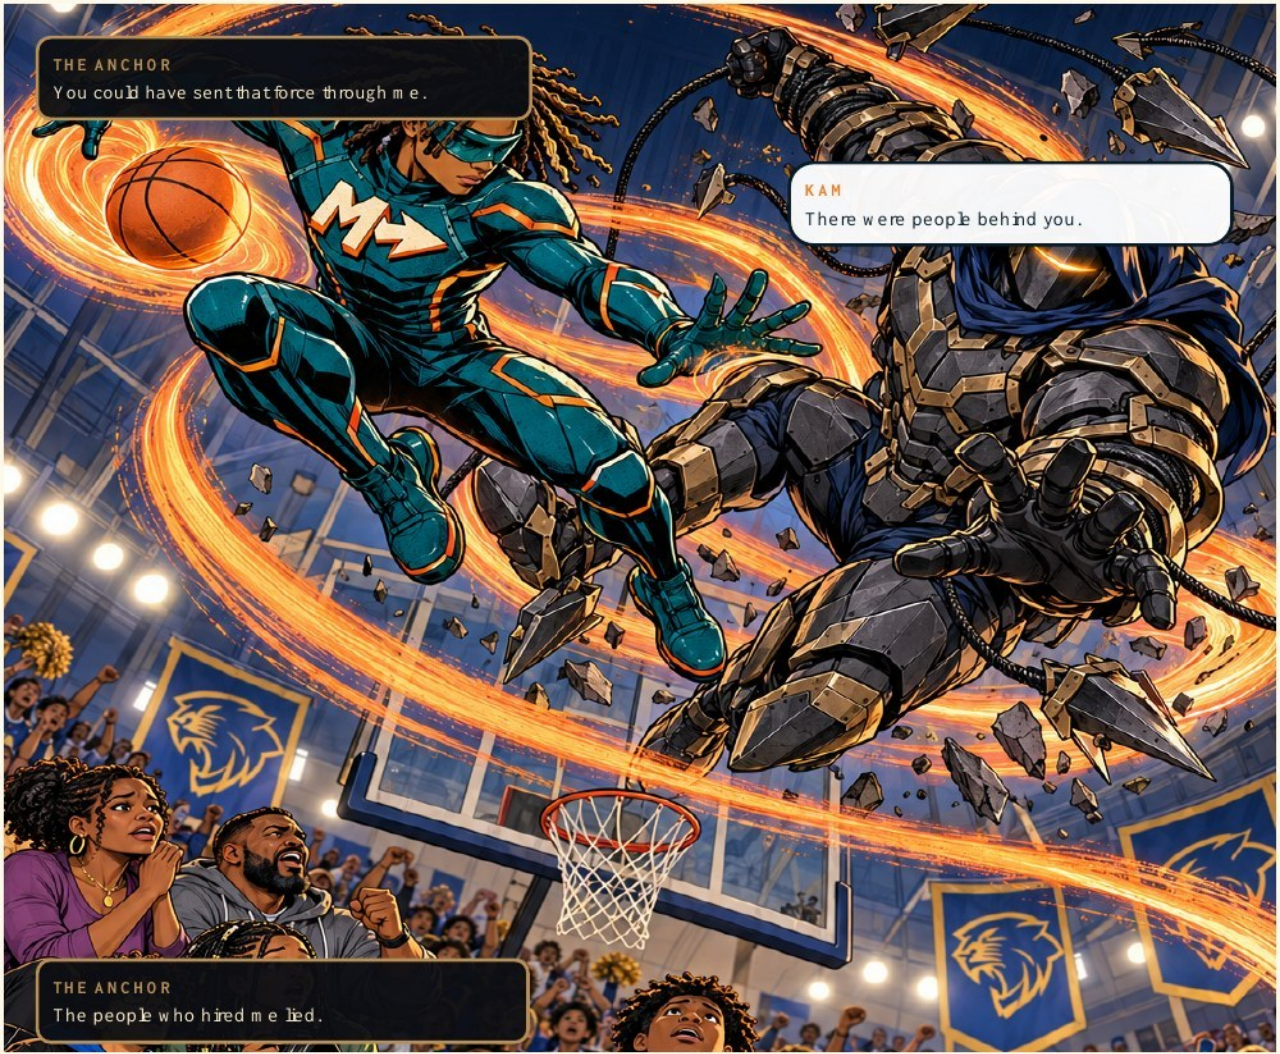

THE ANCHOR

W hatd id you do?

KAM

Passed it.

The scoreboard's fall went through his own cables - not the crowd.

THE ANCHOR

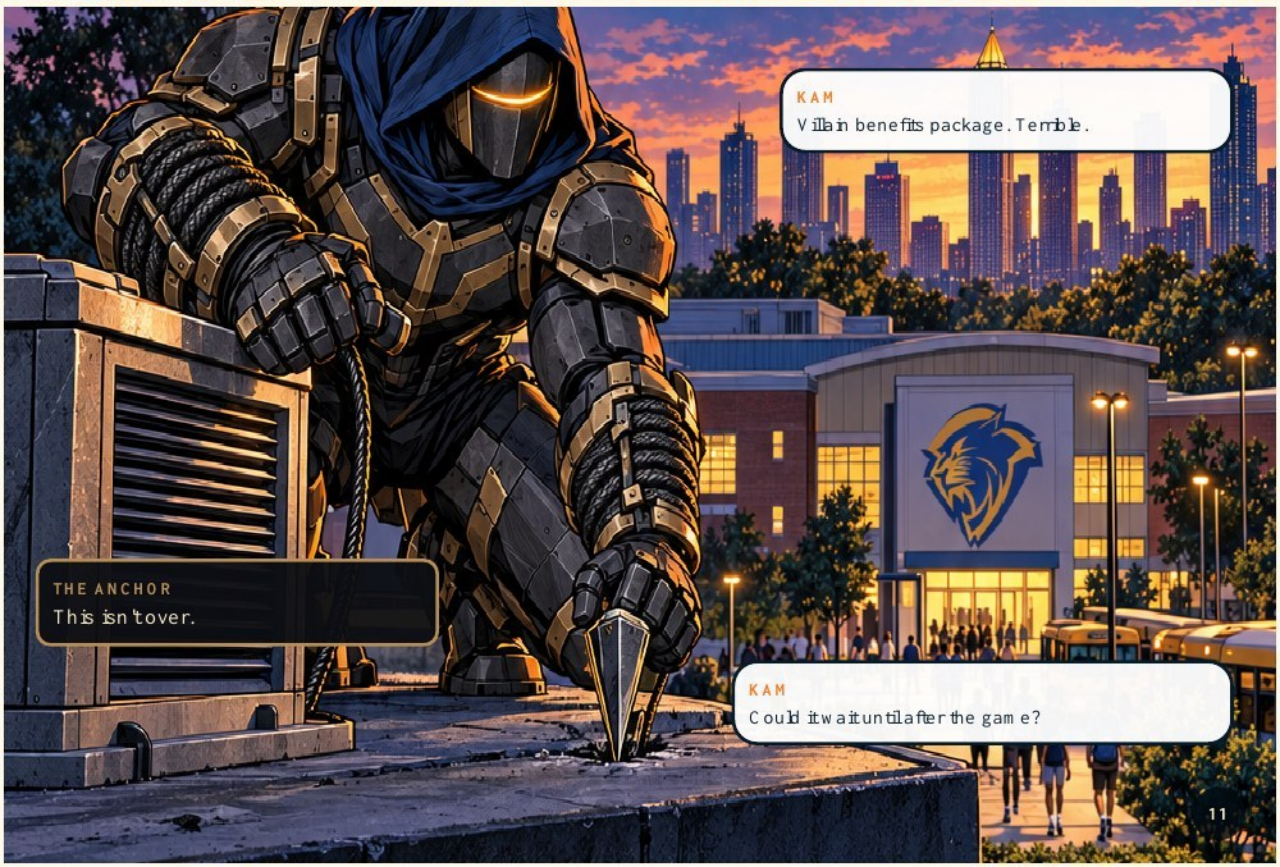

You could have sent that force through me.

KAM

There were people behind you.

THE ANCHOR

The people who hired me lied.

KAM

Villain benefits package. Terrible.

THE ANCHOR

This isn't over.

KAM

Could it wait until after the game?

COACH

Two-point game. Eight seconds.

TREY

Take the shot!

KAM

I know.

KAM

No. You're open.

NIA

Where were you?

COACH

Good read, Reed.

KAM

Locked in the equipment room.

THO OHH!

UNKNOWN
SOUTHLINE CONFIRMED.

THE ANCHOR
The boy is not the source.

16

UNKNOWN
Then find the other fifteen.

THE SIXTEEN-SECOND MYSTERY HAS ONLY STARTED
